Hudsonville Education Foundation

The mission of the Hudsonville Education Foundation is to foster additional educational opportunities for Hudsonville Public School students by providing funding for resources that enhance learning and encourage innovation in the classroom.

Nominations now being Accepted for our Newest Award!

The HEF recently approved a new award titled, The Innovation in Education Award. This award has been made possible through a donation from a family in the Hudsonville Public School District in honor of Theresa Reagan, Principal of Georgetown Elementary. The donor family wanted to recognize Theresa for her unquenchable desire to innovate, both in the classroom and throughout her building.

The Innovation in Education Award is intended for an individual or group of individuals who exhibits a passion for innovation and directly impacts

students in the Hudsonville Public School District. Recipients of the award could include teachers, administrators, employees, and volunteers.

Nominations for the Innovation in Education Award will be accepted from May 1-31, 2012. The HEF Board will review the nominations and the \$500 award will be delivered to the winning nominee(s) in September at the beginning of the next school year.

Show Your Appreciation

The end of the school year is near. This is a great time to honor a special person, or an entire building staff, who has been a positive influence on your child's life or school experience.

Teachers, coaches, counselors, bus drivers, and many others, influence and guide them. One way to show your appreciation to these special people is by making a donation in their name to the Hudsonville Education Foundation. When a donation is made to the Foundation, the name of the honoree(s) will be posted in each building.

Award Nomination Forms and Gifts of Appreciation Forms are available in each school office or can be accessed by clicking [here](#).
