

Cartoon Creations

Hudsonville Community Education is proud to partner with Abakadoodle to teach your child about art through developmentally and age appropriate lessons designed to inspire their creativity and ignite their imagination.

Everyone loves a little whimsy! Join the Drawsters cartooning adventure. Abakadoodle's one-of-a-kind drawing program will introduce young artists to the creative world of cartooning by launching imaginations with spaceships and rockets, bouncing with Balloon People, and dreaming about what animals love. Each student will also create his or her own comic frame featuring the traditional elements of characters and dialogue. Sequential lessons allow children to build drawing skills while gaining confidence.

***Special Instructions:** Art can be messy, please be sure that your child wears *old* play clothes for class.
