

# ART ROCKS!

Hudsonville Community Education is proud to partner with Abrakadoodle to teach your child about art through developmentally and age appropriate lessons designed to inspire their creativity and ignite their imagination.

The stage is set for rock artists everywhere! Art Rocks! combines fun music and energetic art for a wildly creative adventure. During your six weeks we'll learn about artists from a wide range of periods while listening to music from that era! Students will create art with a Rock and Roll theme. They'll design a poster promoting a concert, as well as a unique label for a new CD. These rock artists will create their own rock art, design mystifying paintings to music and try their hand at melodic action painting. So come into the spotlight for a rocking good time! We'll even paint like Andy Warhol while listening to music from the 60s and 70s and learn about modern artists as we sing along to Hannah Montana, the Jonas Brothers and more.
