Eagle 10K & 5K Run/Walk

For the past several years, the Hudsonville High School Athletic program has provided our community with an exciting and successful sports program. It is a program that has received significant recognition not only in our community but also throughout the State of Michigan. This is a program that well represents our entire community in excellence, competitiveness and sportsmanship.

The Athletic Boosters organization each year endeavors to supplement the program with thousands of dollars. As an organization, our goal is "to promote an interest in sports among the parents of the athletes, students, business community and general citizenry of the Hudsonville School District; to assist the coaching staff in securing better equipment, medical services, and adequate playing facilities; and to promote interest and opportunities in sports activities at Hudsonville High School."

This year 100% of all proceeds go for scholarships for Hudsonville High Student Athletes.
