

# Golf Lessons

## Tune-up before Summer!

Hudsonville Community Education and the After-School Golf Academy are teaming up to offer kids in K - 8th grade the opportunity to learn the skills of golf or further develop existing skills.

Our instructor will explain the game of golf, grip, stance, and swing fundamentals. As well as the long game (iron & driver) and short game (putting, chipping & pitching).

- Introduces golf to children who may not otherwise get the opportunity.
- Bolsters your school's varsity program.
- Teaches children a game they can play forever.
- Encourages physical fitness.
- Teaches to each student's ability level.
- Proven teaching method emphasizes repetition.

Each child (during class) will be supplied with thier own thick, floor protecting mat, top-of-the-line junior clubs (all sizes) and safe, indoor foam balls.

## ALL NEW CARTOON LESSONS!

Does your child have a great sense of humor to compliment his or her artistic skills? If so, your child will LOVE a Young Rembrandts Cartoon class. Our students will learn how to personify inanimate objects, as they breathe life into the sun and moon, transforming them into fully realized cartoon characters. A humorous bird feeding sequence will teach your child visual and sequential story telling. We'll also create drawings that feature colorful and expressive forest animals. Give your child the gift of learning and artistry. Enroll your student today!
