Principal Report

Focus on week of being an upstanders, how to stand up to yourself, what's a bully.

Conferences went very well again– only one parent in the entire school who hasn't been able to make it. This high level of participation is very typical for Georgetown.

Specials Teachers Report

Ms. Yankee, Ms. Bast, Mrs. Kuieck

Thank you for book fair books and teacher conference dinners!

Scholastic Online – This online magazine goes great with non-fiction reading. Kids need to learn how to read on-line as well as in print for standardize testing.

Curriculum – Tuesday is diversity day. Students research where they came from and share on that day.
