October 14, 2011

Dear Parents/Guardians,

It is hard to believe that we are already into our second month of the 2011-2012 school year. Along with shorter days, cooler weather, and changing leaves, a sure sign that the school year is well underway is the magical sounds coming from the 35 different musical groups we are proud to offer our PK-12 students. Each group looks forward to the opportunity to show off their new learning to family and friends at performances throughout the year. The month of December is an especially busy time for our music departments as every performing ensemble takes part in a concert or music program prior to our holiday break.

Because of venue schedules and limited dates available on which to schedule our 35 different groups, a few of the performances will occur on the same evening (see below for a list of scheduled December musical performances). We apologize for the inconvenience this may cause and want to assure you that every effort is made to avoid overlap whenever possible while still providing the opportunity for our community to celebrate the efforts of our students and staff.

Thank you for your support of our music programs!

Sincerely,

Karla Akins

Director of Curriculum and Instruction
